

The first party exclusive for students that prioritises fun safety and affordability!

# House Rules

Dear teachers and accompanying persons,

Please inform your group participants about our rules before your visit and confirm that you have read them with your signature.

Please send this as an e-mail attachment to: [buchungen@dlight-club.de](mailto:buchungen@dlight-club.de)

- §1 Admission starts at 8 pm and is possible at any time until the end of the party at midnight. Admission is only permitted to persons who belong to registered groups. We do not require ID cards to verify age or parental consent for our event. Participants may only leave the club with the explicit permission of the person accompanying them. Re-entry will only be granted with the wristband applied at the entrance.
- §2 It is not possible to lock larger bags or suitcases in the club area. A cloakroom for jackets and similar items can be used for a fee.
- §3 It is prohibited to bring knives, glass containers or other dangerous objects into the club. Substances that are subject to the Betäubungsmittelgesetz (German Narcotics Act) may not be brought to the event.
- §4 Drinks may generally not be brought into the club. Alcoholic drinks are sold to young people by the club after consultation with the accompanying persons. The accompanying person ensures that the Jugendschutzgesetz (Youth Protection Act) is observed when making the decision. An ID card for age verification is therefore not required on site.
- §5 Smoking is not permitted in the enclosed areas of the club. Please also observe the current non-smoker protection law.
- §6 The club's inventory must be handled with care! Damage caused wilfully will be charged to the group.
- §7 D light employees are available on site at all times. Instructions from our staff, club employees and security personnel must be followed at all times.
- §8 Violations of these rules can lead to club expulsions for the entire group!
